

Dear patient,

During your next visit to Pentucket Medical, you may start to see some exciting changes. We're updating our name to show that we are part of the Mass General Brigham system. You'll start to see the Mass General Brigham name and logo on new signs at our practice, ID badges, stationery, and more.

This does not mean your doctors or care providers are changing. When you seek care at Pentucket Medical, you are receiving the highest-quality care from a team of people **right here in your community**.

Your practice will be connected with the world-class healthcare system that is Mass General Brigham. You will have access to Mass General Brigham hospitals and providers in our broader network.

Our new Mass General Brigham brand reflects our commitment to our patients by:

- Building an integrated healthcare system
- Providing exceptional care
- Offering care at the appropriate cost
- Accessing world-renowned experts when needed
- Coordinating care seamlessly
- Connecting with teams of researchers working on innovative treatments and cures

We are excited to offer you with these resources and to continue to offer the warm, community-based care that you expect.

Sincerely,
Pentucket Medical
